

Poster Making Class

“What does the ADA mean to me?”

Create a poster to let the everyone know what the Americans With Disabilities Act means to you! We want you to think about your ADA story and how the ADA has impacted your life.

The Americans with Disabilities Act makes things more accessible to individuals with disabilities in Employment, Public Services, Public Places, Telecommunication (telephone, internet, closed captioning, etc.) and Transportation. Think about these things when you are creating your artwork and how they have affected your life.

This class will be led by an Art Therapist from Art Therapy Studios. They will help guide you to create your masterpiece using the poster board and markers from your kit. Please use whatever art supplies you may have at home too.

The class will be on **Thursday August 20, 2020 from 6:00pm to 7:00pm via Zoom**. To register, go to www.adacleveland.org. The interactive Zoom experience will be limited to the first 100 registrants, but live streaming will be available to everyone else on the ADA Cleveland Facebook page and YouTube page.

We would love to see your creations! Please take a picture of your poster and email it to us at adaincle@gmail.com. You can also post your artwork and tag us on Facebook using @adaincle or use #CallForAccess and we can share it on our Facebook page!
